2. Acceptance of the financial report for April 2019. The financial report includes figures that are almost

complete for FY2018, minus any adjustments from the city, and final interest calculations. The Board requested that amounts budgeted for retirement be separated in budget reports to specify IMRF, Social Security, etc., so that the expenses are better matched with the appropriate line item. Susan Tulis made a motion to accept the financial report. Harriet Simon seconded. MOTION passed unanimously.

Librarian's report.

1. Building and grounds maintenance:

- The library signed a contract with Harmon Concrete Construction in November of 2018 for the completion of a small portion of concrete. Harmon Concrete requested upfront payment of \$400 for materials costs. We have reached out to Harmon Concrete several times, but as of today no work has been done on the project. The Board advised the Director to write Harmon Concrete a letter explaining that if the job is not completed before the next Board meeting the Board will take further action. The Board is very uncomfortable and unhappy and expects this job to be completed.

- The Board asked the Director to get an estimate on the cost of replacing the roof on the Brush building.

2. Vote on method for collecting non-resident fees. Don Prosser made a motion to continue using the nonresident fee formula we currently use, which employs the tax bill method with our own formula for calculating the fee for renters. Roland Person seconded. MOTION passed unanimously. Philip Brown asked whether there are exemptions or discounts for seniors. The Director confirmed that all property tax exemptions on an individual's property tax bill are subtracted prior to calculating their nonresident fee. This includes exemptions for owner occupied property, senior citizens, and any other exemptions.

3. Trustee terms of office. Susan Tulis and Philip Brown both have terms expiring at the end of June, 2019. They both stated their interest in being reappointed to another three-year term. The Director will convey this to the Mayor so that he may consider reappointing them.

4. Other. The Director discussed the impressive work done by the library's two Social Work Interns Joy Greer-Medley and Shyenda Jacobs this school year. They've completed their internships. SIU's MSW internships do not take place over the summer. Our new intern(s) will be selected in the fall semester.
