

## Request for City Council Action

Date: March 3, 2015

<b>Agenda Section:</b> Consent Agenda  <b>No. 5</b>	<b>Originating Department:</b>  City Manager's Office
<b>Item:</b> Resolution Approving a Redevelopment Agreement using Tax Increment Financing at 211/213 West Main Street  <b>No. 5.6</b>	<b>Approved:</b>

**Background and Summary:**

On December 27, 2012 the City Council approved an ordinance adopting tax increment financing (TIF) for Illinois-University Corridor TIF #2. TIF allows the increment property tax revenue created by new development within a redevelopment project area to be held in a special City fund to pay for certain redevelopment expenses incurred by the developer or the municipality.

One use of the increment funds is to reimburse private developers for eligible redevelopment project costs. The state statutes governing TIF specify the eligible costs and include property acquisition, demolition, site preparation, cleanup of environmental contamination, remodeling or rehabilitation of existing buildings, architectural and engineering fees, and a portion of interest expense on construction loans. The cost of new building construction is not an eligible expense. Reimbursement terms of TIF-eligible costs are specified in a redevelopment agreement between the City and the developer.

Attached for consideration by the City Council is a redevelopment agreement between the City and Aaron and Lindsay Hanks for reimbursement of costs relating to property acquisition and minor façade improvements at their property at 211/213 West Main Street. Mr. and Mrs. Hanks purchased the property on January 7, 2015 and at this time have no plans to make major revisions to their property. The purpose of executing this TIF agreement is to insure that they are reimbursed for their acquisition costs in the event the property experiences substantial appreciation in the future.

**Recommended Action:**

It is recommended that the City Council approve a resolution authorizing the City Manager to enter into an Economic Development Tax Increment Financing Agreement with Aaron and Lindsay Hanks for the property located at 211/213 West Main Street.

If there is no TIF Note, reference herein to a TIF Note shall be given no effect. Any TIF Note shall be payable solely and only from Development Incremental Taxes, and not otherwise.

## 3. PAYMENT FOR ELIGIBLE PROJECT COSTS

Payments to the Developer (other than with respect to debt service on a TIF Note), or otherwise, including endorsement of the TIF Note, if any, for Eligible Redevelopment Project Costs shall be made only upon requisitions therefor (each a “**Requisition**”) submitted from time to time by the Developer to the Municipality’s Economic Development Coordinator (the “**EDC**”) or other officer or individual designated by the City Manager and upon approval of the City Manager (or the City Manager’s designee, as the case may be), and in each case subject to the availability of funds in the Special Account, including, as the case may be, if at all, and not otherwise, as set forth in an applicable TIF Note).

All Requisitions must be accompanied by appropriately supporting documentation, including, as applicable, by way of example, and not limitation: verified bills or statements of suppliers, contractors, or professionals, lien waivers and contractor affidavits.

The City Manager (or designee, as the case may be), shall approve or disapprove a Requisition by written notice to the Developer within ten (10) business days after receipt of the Requisition. Approval of a Requisition will not be unreasonably withheld. If a Requisition is disapproved, the reasons for approval will be set forth in writing; and the Developer may resubmit the Requisition with such additional information as may be required, and the same procedures as set forth herein for initial submission shall apply to such resubmittals.

The Municipality and the Developer acknowledge that the determination of the qualification of Eligible Redevelopment Project Costs, the TIF Area and the Redevelopment Plan and Project and, therefore, qualification for payment and/or reimbursement under this Agreement are subject to changes made by amendments to the TIF Act, opinions of and interpretations by counsel with experiences in connection with TIF and municipal finance,

administrative rules, and judicial or other interpretations during the term of this Agreement, and the Municipality has no obligation to the Developer to attempt to modify those decisions but will assist the Developer as to obtaining approval of Eligible Redevelopment Project Costs. The Developer assumes all risks related to qualification of Eligible Redevelopment Project Costs, the Area and the Redevelopment Plan and Project or the Development Project.

#### **4. VERIFICATION OF TAX INCREMENT**

It shall be the sole responsibility of the Developer to timely provide to the Municipality, on or before December 1 in each year, the following:

(a) The Illinois Business Identification Number of the business or businesses constituting the Development Project and within the Development Area.

(b) Certified copies of real estate tax bills for the tax year prior to the calendar year of this Agreement, and annually thereafter, certified copies of all paid real estate tax bills for the immediately preceding real estate tax year on each tax parcel constituting the Development Area.

The failure of the Developer to provide any information required in this Agreement shall be considered a material breach of this Agreement and shall be sufficient cause for the Municipality to deny payments under this Agreement to or in respect of the Developer, which payments are expressly conditioned upon the receipt of the foregoing information.

#### **5. LIMITED OBLIGATION**

The Municipality's obligations under this Agreement to pay debt service on any TIF Note and/or to pay or reimburse the Developer for Eligible Redevelopment Project Costs is a special and limited obligation, to be paid solely from Development Incremental Taxes in the Special Account of the Fund, and not otherwise. Any such obligation does not now and shall never constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory provision and shall not constitute or give rise to a pecuniary liability of the Municipality or a charge or lien against the Municipality's general credit, funds, taxing power or otherwise, a condition precedent to the Municipality's execution hereof and to which the Developer hereby irrevocably assents.

#### **6. EVENTS OF DEFAULT AND REMEDIES**

Material failure or delay by either the Municipality or Developer to timely perform any term or provision of this Agreement shall constitute an “**event of default**” under this Agreement. The party who so fails or delays must, upon receipt of written notice of the existence of such event of default, immediately commence to cure, correct or remedy such event of default and thereafter proceed with diligence to cure such event of default. The party claiming such event of default shall give written notice of the claimed event of default to the other party specifying the event of default complained of. Except as required to protect against immediate, irreparable harm, the party asserting an event of default may not institute proceedings against the

other party until thirty (30) days after having given such notice. If such event of default is cured within such thirty (30) day period, the event of default shall not be deemed to constitute a “**default**” under this Agreement. If the event of default is one which cannot reasonably be cured within a thirty (30) day period, upon request and with appropriate showings the cure period shall be extended for such time as is reasonably necessary for the curing of the same, so long as there is diligent proceeding to cure such event of default. If such event of default is cured within such extended period, the event shall not be deemed to constitute a default under this Agreement. However, an event of default not cured as provided above shall constitute a default under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any event of default or default shall not operate as a waiver of any such event of default or default of any rights or remedies it may have as a result of such event of default or default.

The sole remedy of the Developer in the event of a default by the Municipality under any of the terms and provisions of this Agreement shall be to institute legal action against the Municipality for specific performance or other appropriate equitable relief. Under no circumstances shall the Municipality be subject to any monetary liability or be liable for damages (compensatory or punitive or otherwise) under the provisions, terms and conditions of this Agreement. Except as to the foregoing, the parties shall have all remedies with respect to this Agreement available under applicable law. Notwithstanding anything herein to the contrary, the Municipality shall be liable for no amount hereunder in excess of Incremental Taxes duly deposited into or credited to the Special Account.

#### **7. LIMITED LIABILITY TO OTHERS**

Except as otherwise expressly provided herein, the Municipality shall not be obligated to make any payments to any person other than the Developer, nor shall the Municipality be obligated to pay any contractor, subcontractor, mechanic, materialman providing services or materials to the Developer for or in respect of the Development Project.

#### **8. TIME; UNAVOIDABLE DELAY**

Time is of the essence of this Agreement. Provided, however, the Developer shall not be deemed in default with respect to any obligations under this Agreement on its part to be performed if the Developer fails to timely perform the same and such failure is due in whole or in part to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, war, fuel shortages, accidents, casualties, Acts of God, acts caused directly or indirectly by the Municipality (or the Municipality's agents or, employees) or third parties, or any other similar cause beyond the reasonable control of Developer, including but not limited to delays in acquiring interests in or possession of real estate caused by the parties who are contractually obligated to convey and grant to the Developer, for which the Developer shall have a day for day extension for any deadlines hereunder, if such event is claimed in writing delivered within ten (10) days of the occurrence of the event giving rise thereto and otherwise shall have no extension.

**9. ASSIGNMENT**

The rights and obligations of Developer under this Agreement shall be assignable, in whole and not in part, with (i) not less than 20 business days' (or such lesser notice acceptable to the Municipality) written notice by the Developer to the Municipality and (ii) the written approval of such assignment by the Municipality, without which no such assignments shall be effective, including on such terms and conditions as the Municipality shall require; provided that no such assignment shall be deemed to release the Developer of its obligations to the Municipality under this Agreement unless the written consent of the Municipality to the release of the Developer's obligations is first obtained.

**10. PREPAYMENTS**

The Municipality absolutely reserves the right, prior to the expiration of the term of this Agreement and to the extent lawful, in its sole discretion, to prepay all or any part of its obligations under this Agreement or any TIF Note.

**11. WAIVER**

Any party to this Agreement may elect to waive any remedy it may have hereunder, provided that no such waiver shall be deemed to exist unless the party waiving such right or remedy does so in writing. No such waiver shall obligate such party to waive any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

**12. SEVERABILITY**

If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of such section, subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

**13. NOTICES**

All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, or as of the third (3rd) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid, addressed as follows (or to such other address as is provided by notice):

**15. NO JOINT VENTURE, AGENCY, OR PARTNERSHIP CREATED**

Neither anything in this Agreement nor any acts of the Municipality and/or the Developer under this Agreement shall be construed by the parties or any third person to create the relationship of a partnership, agency, or joint venture between them.
