

Request for City Council Action

Date: April 14, 2015

<p>Agenda Section: Consent Agenda</p> <p>No. 5</p>	<p>Originating Department: Public Works – Equipment Maint. / Sewer Collection Finance – Purchasing</p>			
<p>Item: Award of Purchase of a Heavy Duty Industrial Tractor Loader-Backhoe to McKeel Equipment Co., Inc. of Paducah, KY in the Amount of \$89,664.42</p> <p>No. 5.8</p>	<p>Approved:</p>			
<p>Background and Summary:</p> <p>The Sewer Collection Division of the Public Works Department depends on the use of a Tractor Loader-Backhoe to perform both routine and emergency sewer repair and maintenance work. The existing equipment, a 2001 Komatsu WB150, has over 8,500 hours and beyond its dependable and useful service life for the City. The existing loader-backhoe is also an import with repair parts often being difficult to obtain and sometimes no longer available at all.</p> <p>Specifications were prepared and the bid was advertised in the Southern Illinoisan on Sunday, March 22, 2015. Bid invitations were sent to Six (6) vendors and four (4) bids were received on April 2, 2015, as shown on the attached Bid Tabulation; bid prices for the equipment ranged from \$81,429.00 to \$103,900.00 (including trade in values which range from \$6,500 to \$15,000).</p> <p>Staff has reviewed all four (4) of the bid proposals and recommends disqualifying the bid from Sievers Equipment in the amount of \$81,429.00 for failure to meet the minimum required specifications including bucket maximum height, bucket dump angle, tire size, and electrical system requirements. Also note the proposed equipment from Seivers is an imported machine that is much lighter (not as heavy duty), taller and longer than the specified equipment; these factors will decrease stability and make it more difficult to excavate in tight spaces.</p> <p>The lowest bid meeting the minimum required specifications was submitted by McKeel Equipment Co., Inc. of Paducah, KY in the amount of \$89,664.42 (including a trade in value of \$10,000).</p> <p>Recommended Action:</p> <p>The City Council is requested to disqualify the bid from Sievers Equipment for failure to meet the required minimum specifications and award the of purchase of a Heavy Duty Industrial Tractor Loader-Backhoe to McKeel Equipment Co., Inc. of Paducah, KY in the Amount of \$89,664.42</p> <p>The City Council is also requested to declare the existing 2001 Komatsu WB-150-2 Tractor Loader-Backhoe (Serial # F10200) as surplus property for trade-in.</p>				
Engineering Approval Obtained	Finance Approval Obtained	Legal Approval Obtained	Approval Obtained	Manager's Approval Obtained
Council Action: Motion by: _____		2nd by: _____		to: _____

**CERTIFICATE IN CONNECTION WITH PURCHASE OF SUPPLIES,
EQUIPMENT & MATERIALS IN EXCESS OF \$10,000.00**
