

Request for City Council Action

Date: August 11, 2015

Agenda Section: Consent Agenda No. 5	Originating Department: Public Works-Engineering/Finance-Purchasing
Item: Award of Contract for Pinecrest Lift Station and Forcemain Improvements Project (WW1502) to ACI X of Chester, IL in the amount of \$214,660 5.6	

Background and Summary:

The Pinecrest lift station on Chautauqua was initially designed to serve low density residential development along Chautauqua between Pinecrest Drive and Tower Road. With the addition and expansion of the Prairie Living complex the capacity of the existing pumps and forcemain are now at their limits and need to be upgraded to efficiently and effectively handle the existing and future sanitary sewer loads.

Bid Documents were prepared for the Pinecrest Lift Station and Forcemain Improvements Project (WW1502), and the bid was advertised in the *Southern Illinoisan* on Sunday, July 12, 2015. Bid invitations were sent to nine (9) contractors and one (1) plan house as shown on the attached Certificate. Five (5) contractors purchased the Bid Documents. Two (2) bids were received on July 29, 2015, as shown on the attached Bid Tabulation, bids ranged from \$214,660.00 to \$223,879.05.

The low bid was submitted by ACI X, Chester, IL in the amount of \$214,660.00 which is \$115,340.00 under the available construction budget of \$330,000. The project savings is primarily due to being able to reuse the existing in-ground structures and working with Egyptian Electric Company to change the incoming power service from single phase electric to more efficient three phase electric.

Recommended Action:

The City Council is requested to Award the Contract for the Pinecrest Lift Station and Forcemain Improvements Project (WW1502) to ACI X of Chester, IL, in the amount of \$214,660.00.
