

Request for City Council Action

Date: August 11, 2015

Agenda Section: Consent Agenda No. 5	Originating Department: Public Works-Engineering/Finance-Purchasing			
Item: Award of Contract for the New Era Road Waterline Interconnect Project (WS0601) to Mott Excavating, Inc. of Vienna, IL in the amount of \$77,243.04 5.8				
<p>Background and Summary:</p> <p>This project consists of interconnecting the water lines under Illinois Route 13 in the New Era Road and Murphysboro Road area.</p> <p>Prior to the reconstruction of New Era Road in the early 2000's the waterline was replaced from the intersection of Route 13 north along New Era Road to Glenn Road. Since this time the smaller diameter lines that run under Route 13 to connect New Era Road water lines with water lines on Murphysboro Road have failed and need to be replaced.</p> <p>Bid Documents were prepared for the New Era Road Waterline Interconnect Project (WS0601), and the bid was advertised in the <i>Southern Illinoisan</i> on Sunday, July 12, 2015. Bid invitations were sent to five (5) contractors and one (1) plan house as shown on the attached Certificate. Four (4) contractors purchased the specifications.</p> <p>Three (3) bids were received on July 28, 2015, as shown on the attached Bid Tabulation. Bids ranged from \$77,243.04 to \$94,980.00. The low bid was submitted by Mott Excavating, Inc. Vienna, IL, in the amount of \$77,243.04 which is \$11,243.04 over the available construction budget of \$66,000. Staff has reviewed the bids and available funds within the FY2016 Five-Year Community Investment Program (CIP) and believes that the additional \$11,243.04 can be covered by savings on other projects within the approved FY2016 CIP Budgets.</p> <p>Recommended Action:</p> <p>The City Council is requested to Award the Contract for the New Era Road Waterline Interconnect Project (WS0601) to Mott Excavating, Inc., of Vienna, IL, in the amount of \$77,243.04.</p>
