**DATE:** June 14, 2016

**ITEM NO. 5** - Consideration of Liquor License Renewal Applications for License Year 2016-2017

---

Currently, in the 2015-2016 license year, there are 69 approved and 64 active liquor licenses with 1 license having an undetermined status.

Renewal packets were mailed to applicants on February 26, 2016. Completed applications, supplemental documentation, and license fees were due in the City Clerk's office by 5:00 p.m. on Monday, May 2.

Attached is a spreadsheet of the licensed liquor establishments which have submitted renewal applications. Listed next to each individual establishment is the date on which the application was submitted, as well as any outstanding items. *Please note that all items were due by May 2.*

One other additional spreadsheet is attached which provides information for those licensees which are required to meet a minimum percentage requirement as set out in the City Code. Those licensees include B2 licenses which have video gaming terminals, B3 licenses, A1 licenses, and A2 licenses.

Classes A1 and A2 establishments are restaurants which must meet a minimum 51% of gross revenue from food and nonalcoholic beverages per 2-4-9.A.1.C and 2-4-9.A.2.C of the Carbondale Revised Code.

Any establishments which have video gaming terminals and which held a Class B2 liquor license during license year 2014-2015 must not receive 51% or greater of its gross revenue from video gaming, while Class B3 licenses must establish that at least 51% of their gross revenue was collected from video gaming, per Section 2.4.9.B.3 of the Carbondale Revised Code. Establishments holding a B2 license which do not have video gaming terminals are not subject to minimum percentage requirements.

Also included are reports compiling arrests during the entirety of the license year thus far (July 1, 2015 through March 31, 2016) as well as the previous license year (July 1, 2014 through June 30, 2015), and draft minutes from the Liquor Advisory Board meetings of May 19 and June 2, 2016.

#### **2-4-5: ISSUANCE OF LICENSE; FINDINGS:**

The commission shall not issue a new liquor license, renew a liquor license, approve a change of classification or transfer of location or the transfer of the license to a new owner unless it has previously been determined that there is no reason to refuse to issue, renew or approve such license. In determining whether there is reason to refuse to issue, renew, or approve a license, the commission shall consider the following criteria:

A. The class of the liquor license applied for and the availability of a license in the class.

B. Compliance with all applicable state and city regulations and laws.

C. The potential impact on and demand for city services.

D. The location of the proposed establishment and probable impact of a liquor establishment at the location upon the surrounding neighborhood or the city as a whole. Factors to be considered include, but are not limited to:

1. Proximity to residential property,
2. Proximity to schools, churches or synagogues,
3. Proximity to gasoline stations or convenience stores which offer gasoline for sale,
4. Potential impact on traffic safety,
5. Potential adverse impacts on surrounding property values,
6. Proximity to other liquor establishments,
7. Adequate street lighting and lighting on the proposed property,
8. Availability of on street and off street parking in the area,
9. Availability of sidewalks in the area if significant pedestrian traffic is anticipated.

E. The character and nature of the proposed establishment.

F. Whether live entertainment will be provided and, if so, the nature of the entertainment.

G. The proposed operation of the establishment, including staffing levels, the ability and commitment to abide by laws and regulations, and the ability to effectively monitor activities both within the establishment and on the property.

H. The financial responsibility of the applicant and the past performance of the applicant, if any, in the area of liquor sales or services.

I. The advisory recommendation of the liquor advisory board and city staff.

J. Whether the issuance (or renewal) of said license would be in the "best interests" of the city of Carbondale (for example, would there be an adverse impact on public health, safety, or welfare; would the issuance of the license adversely affect the character of the surrounding neighborhood; would the license adversely impact the city's orderly growth and development, etc.).

K. Whether the applicant or licensee has been delinquent on payment for services, loans or other contractual agreements received by the licensed establishment from the city of Carbondale. For the purpose of this subsection, a licensee shall be considered delinquent on payments if the licensee is currently in arrears on an outstanding debt owed to the city, or has been in arrears for more than fifteen (15) days on a payment to the city for services, loans or other contractual agreements, two (2) or more times within a two (2) year period.

L. For class A1 and A2 licenses:

1. The kitchen facilities and equipment to be used in the preparation and serving of food;
2. The hours during which the kitchen will be used in the preparation of all food items included on the restaurant menu; and
3. The existence of game rooms, dance floors, etc., that are commonly found in bar type establishments. (Ord. 2007-38)
