

BUDGETARY PROCESS AND PROCEDURES

The City's procedures for developing the annual operating Budget are as follows:

1. The budgetary process begins in November with the development of the Budget Preparation Calendar.
2. The first Council meeting in December the City Council reviews and updates City policies with goals, objectives and strategies for maintaining and achieving the adopted policies for the next fiscal year.
3. The current fiscal year revenues are re-estimated and the revenues for the next five fiscal years are projected by the Finance Department.
4. The Community Investment Program Committee revises and prioritizes projects based upon projected available spendable resources in the Community Investment Projects and Enterprise Funds. The need for additional financing and/or funding from the operating funds is projected and the impact on service delivery and operational expenditures is assessed.
5. Specific budget preparation instructions, expenditure information and limits are prepared by the Finance Department and the Computer Specialist to be delivered to Department Divisions.
6. Department Directors prepare budgets based upon their individual Department budget ceilings and/or guidelines as set forth by the Finance Department.
7. The Department and Division budgets are submitted to the Finance Department for technical review.
8. The City Manager, Finance Director, Accounting Manager and Computer Specialist meet with each Department's Director to discuss the details of that Division's proposed budget(s).
9. After approval of proposed budgets by the City Manager, the preliminary draft of the proposed Budget is submitted to the City Council Members and, at the same time, is available for public inspection.
10. At least ten days prior to the enactment of the Budget, a public hearing is conducted to obtain citizen comments on the proposed City Budget.
11. The Ordinance enacting the Budget is adopted by the City Council prior to the beginning of the Fiscal Year, May 1st.
