Field Name	Response	Instructions
Project Name	Southern Illinois Multi-Modal Station (SIMMS)	Enter a concise descriptive title for the project. This should be the same title used in the Grants.gov SF-424 submission and the application narrative.
Project Description	This project consists of construction the Southern Illinois Multi-Modal Station (SIMMS) that will service the entire Southern IL region (30 counties) by providing a full service transportation center.	Describe the project in plain English terms generally understood by the public, using no more than 100 words . For example, "The project will replace the existing bridge over the W river on Interstate-X between the cities of Y and Z" or "the BUILD Grant will fund construction activities for streetcar service from location X to location Y." Please do not describe the project's benefits, background, or alignment with the selection criteria in this description field.
Urban/Rural	Rural	Identify whether the project is located in a rural or urban area , using the drop-down menu. For BUILD 19, a project is designated as urban if it is located within (or on the boundary of) a Census-designated urbanized area that had a population greater than 200,000 in the 2010 Census. If a project is located outside a Census-designated urbanized area with a population greater than 200,000, it is designated as a rural project.
Urbanized Area	Carbondale, IL	If you have identified the project as "urban," please select the associated 2010 Census-designated urbanized area (UA) from the drop-down. If you identified the project as "rural" but it is located in an UA with a population under 200,000, please select the UA from the drop-down. If you have identified the project as "rural" and it is not located in a non-urbanized area, please select "Not located in an urbanized area" from the drop-down.
Capital or Planning	Capital	Identify the project as capital or planning . The " capital " designation should be used for projects that are requesting funding primarily for the physical development, acquisition, or improvement of surface transportation capital infrastructure. The " planning " designation should be used for projects that are requesting funding primarily for aspects of planning, preparation, or design.
Project Type	Transit - Multimodal Center	Identify the Primary and Secondary project type combination that most closely aligns with your project from the choices in the drop-down menu. See the "Project Types" tab in this file for further information and project type definitions.
Primary Project Location Zip Code	62901	Identify the 5-digit zip code of the project location . If the project is located in multiple zip codes, please identify the most centrally located zip code.
Project Previously Submitted?	Yes - BUILD/TIGER	Identify whether the project was submitted in a prior BUILD/TIGER or INFRA round , using the drop-down menu.
